Ex. 5 - Deliberative

I believe that the next BOF meeting where this request will come up is in March. Ever wonder how it would feel to testify as a private citizen?

I'd recommend coordinating with Jeffrey Lockwood (503-231-2249) from NOAA Fisheries. Josh Seeds from OR DEQ is the forestry lead on the ODF rule process (503-229-5081). I'll make sure that DEQ has the letter. Dave
